

ΓΖΑ— Gamma Zeta Alpha Fraternity Inc.

Scholarship 2019-2020
(Deadline: September 1, 2019)

The Gamma Zeta Alpha Fraternity Inc. of University of California, San Diego Scholarship is for students who come from a Latinx background. We are a Latino Fraternity on campus and our three pillars are: Academic Excellence, Community Service, and the Maintenance of the Latino Culture through Brotherhood. Year after year, the amount of Latinx students that go to college has been increasing; this general trend has been seen across many different universities and at UC San Diego as well. We established this scholarship to help incoming Latinx students with their financial needs. The funds for this scholarship came from our annual Bowlathon, as well as through alumni and peer donations. The scholarship will be distributed to two incoming Tritons, male and female.
